

Prompt: The Mask

High Concept: Aliens try to blend into Human Society by wearing “Masks.” Masks are represented through *abstract emotes, symbols, and colors*. The player must *observe, remember, and learn how to use these learned symbols to avoid standing out*. Mistakes increase suspicion, and eventually will lead to revealing who is behind the mask.

Inspiration:

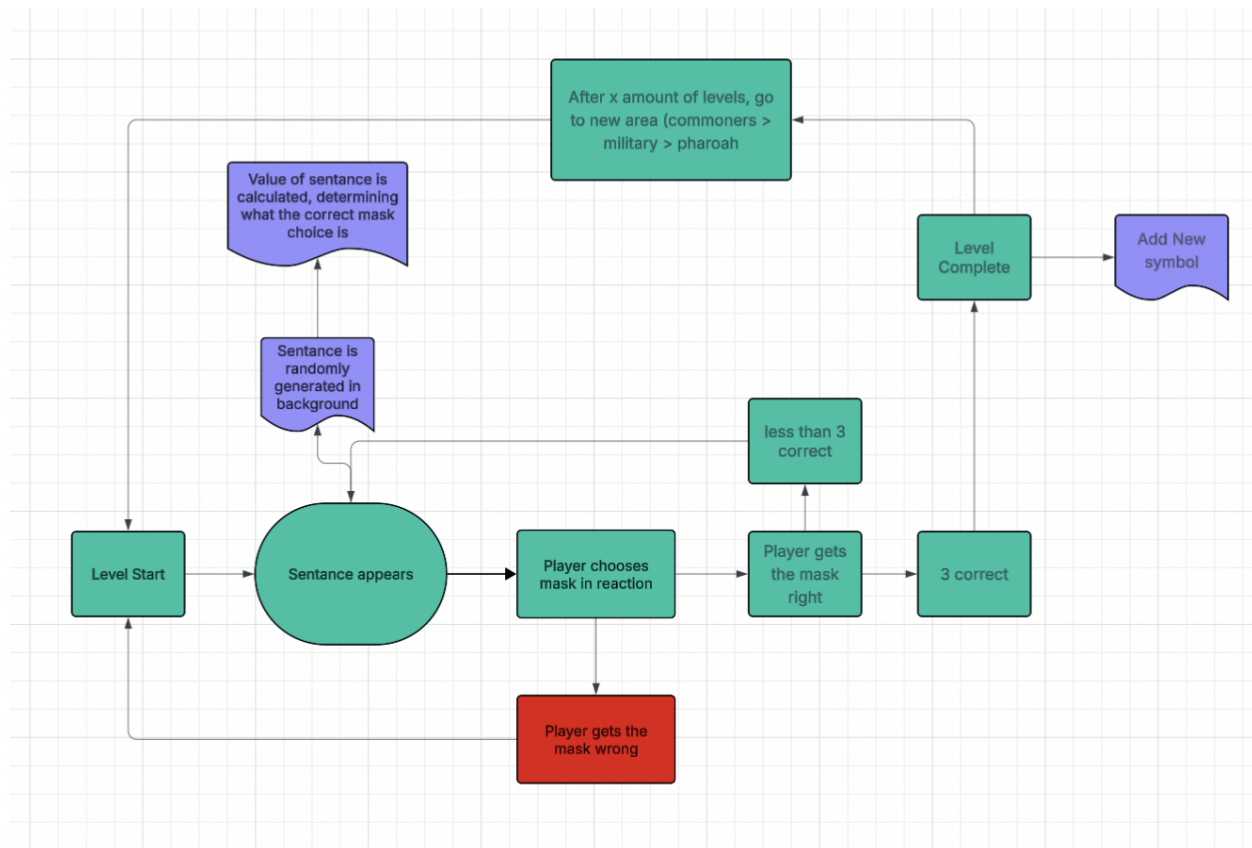

1. Clafairy Says Pokemon Stadium Minigame:
https://www.youtube.com/watch?v=9hNphbAm_Hs

Player Experience Goal:

1. Players should feel the pressure of responding correctly in social situations, with as they try to wrap their heads around a new language that they just have been introduced to.

Main Mechanic: Determine the general meaning of various symbolic words and react appropriately by choosing the correct mask in response to given sentences.

Core Game Loop:

Purple is programming side stuff!

Win/Lose Conditions:

1. Win: Choose the correct mask 3 times.
2. Lose: fail 3 times,

Input System:

1. Drag over circle selector menu for masks

Levels(scope is to do prologue and commoners level):

1. **Brief prologue, explanation of masks, character, goal**
2. **Commoners Levels**
 - a. Pretty simple symbols added, mostly + & -
3. **Military Level**
 - a. More complex symbols, symbols that reverse or negate the next symbol
4. **Aristocrats/Pharaoh Level**
 - a. More complex symbols, tons of them.

Dramatic Premise: Aliens in ancient “Egypt”, who are trying to fit in.

- Ancient style culture,
 - Ancient **Egypt**/Mayan civilization (alien wants to build pyramids)
- Set in the past

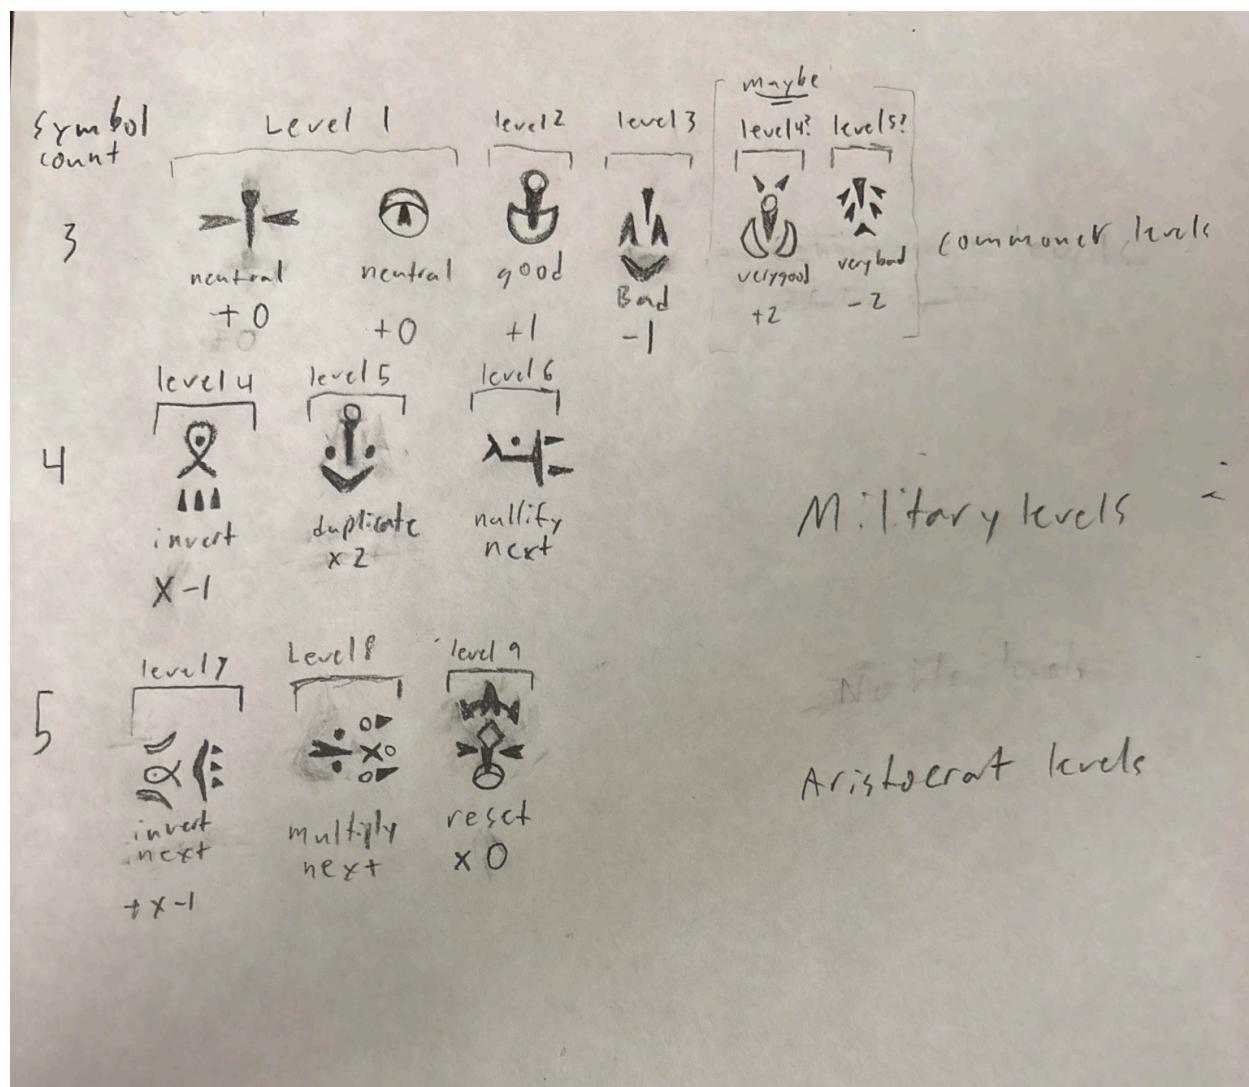

Levels:

Masks:

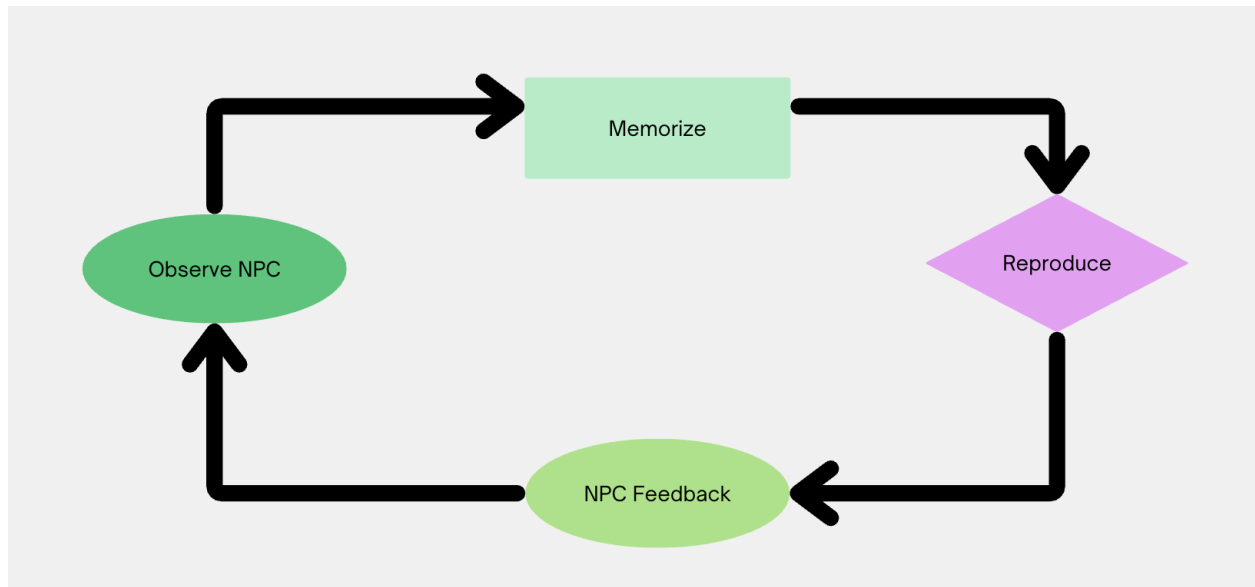

- Sad
- Happy
- Neutral

Symbols

(multiply next doubles the next one), forgot to write it

Old stuff:

Commoners Level Example/Iteration 1:

Character 1: Today Good Much Food

Character 2 reaction: Happy

Character 2: Today Hot Hot Bad

Character 1 reaction: Unhappy

Character 1: Much Food Food Bad

Character 2 reaction: Neutral

Character 1: Food Bad Today Hot

Character 2 reaction: Unhappy

Speaker: Food Good

Correct response: Happy

Speaker: Food Much Hot

Correct response: Unhappy

Speaker: Food Today

Correct response: Neutral
